

Definition of Syncretism: "To create a single world religion by taking the best elements from each religion and fusing them into one, or picking out what is unique in the different faiths and making one religion out of them." Taken from *Canadian Intelligence Publication* by John Cotter, 1979. Sound familiar?

Our one prayer to our one Father this Christmas: Peace, give us Peace.

The New Agers are pushing peace by compromise . What does God's Word say about peace?
