

Beloved Brother,

Glory be to God for His manifold blessings to us always. I thank God for you when I heard and read some bit of your Catholicism explained New Testament from a brother in Christ.

From the fact that I belong to a movement that God has prepared to save multitudes of Roman Catholics and that by the grace of God I am born again; please I need copies of your Catholicism Explained New Testament Bible for my use in the propagation of the gospel. I believe that you will not hesitate to send the Bible to me within your best possible time. If you have other Christian literatures, please you can include them while sending the Bible for I am a growing Christian. God is the work of God moving over there, believing that all is fine.

Greet brethren with you over there.

I am looking forward to hear from you soon.

Thanks

Yours in Christ,  
Bro. NJOKU E. RICHARD
