Bro. Frank A. Eberhardt,

First of all I would like to thank you all esp. God for giving me a nice and helpful material which is the "Catholicism explained new testament". I thought God will not grant this because I didn't expect my letter will reach out there, But praise God He has a ministry (Gospel Outreach) to help other christian in their spiritual life. You know when I received this, I don't know what was this thing and I eagerly open and I thought that it is a Bible, but I'm wrong it is a new testament (A Catholicism explained) and so I'm very happy for that.

By the way I write to you also to tell our problem here in our small church (Christian House Church) will you help us to support and provide this ministry in giving us some materials such as Bible, tracts, and other literature, to distribute here to our brethren in Christ and to them that do not know our Lord and Savior Jesus Christ.

Thank you again and I pray to God that the Gospel outreach ministry will continue to serve other Christian and esp. those who are lost, and so I will be happy to hear from you about this epistle of mine may God Bless You.

In Christ Jesus,
Bro. Dindo C. Bulanadi
